Curriculum Vitae

Laura Daniela Baquero Galvis

1950 Trenton st, apt 343 Denver, CO 80220 danielabaquero94@gmail.com | mobile: (720)725-8846

Education:

2015- 2017 **Bachelor of Science in Biology**

Metropolitan State University of Denver, Denver CO

Fall 2017 Advanced Emergency Technician (AEMT) certification

St. Anthony's hospital, Lakewood CO

2013- 2015 Associate of Science degree

Community College of Denver, Denver CO

Undergraduate Research Experience:

2016- 2019 Undergraduate Research, Department of Chemistry MSU Denver

Research project: Importance of Unique Secondary Structures in Genomic RNA1 3' CITE in Blackcurrant Reversion Nepovirus Translation. Advisor: Dr.

Megan E. Filbin-Wong.

Research Skills:

Performed a variety of biochemistry experiments using techniques such as DNA amplification, RNA *in vitro* transcription, reverse transcription and quantification, gel electrophoresis, Slab-gel purification, site-directed DNA mutagenesis, restriction endonuclease digestion, SHAPE and chemical probing, and Luciferase

Reporter assays.

Work experience:

September 2019-

Present

Professional Research Assistant in Jagannathan Lab, University of Colorado School of Medicine, Department of Biochemistry and Molecular

Genetics

Execute original Research projects concerning mRNA function and regulation by

managing experimental design, data collection and data analysis.

Communicate project findings to the research community through oral

presentations and/or written publications, when project has advanced sufficiently.

April 2019-

Colorado Ophthalmology Associates Chief Scribe, Scribe

August 2019

America

Enforce compliance of Scribe Americas' policies and procedures. Review

employee's timecards and make respective corrections.

Coordinate with project leader to provide appropriate staffing levels and full shift coverage. Ensure Scribes are adequately trained and continue education to

maintain a high quality and efficient Scribe program on site.

August 2018-

Outpatient Medical Scribe, Scribe America

2019

Document medical examinations in Ophthalmology and Psychiatry clinics to

maintain a record of physician-patient encounters.

Utilize clinic specific electronic resources to aid physicians in delivering efficient

patient care and improve clinic flow.

2016-2018 Advanced Placement Summer Institute program support, Center for

advance STEM education, Metropolitan State University of Denver

Provide assistance to the Colorado Education Initiative event organizers during Advanced Placement training week by managing event logistics and ensuring

consumer satisfaction.

Work with the event coordinators to inform participants about scheduled activities

and the classes assigned to each section.

2016- 2018 Science camp Counselor, Center for advance STEM education

Metropolitan State University of Denver

Monitor middle-school students' arrival and departure to and from Auraria campus. Escort the kids to their respective classes and activities in addition to

providing lunch and snacks.

Spring 2018 Science Tutor (biology, chemistry and physics), Colorado Wyoming Louis

Stokes Alliance for Minority Participation

Supplement information discussed in lecture sections by breaking down complex

subjects and relating them to everyday situations.

Establish a connection between future, present and past courses in order to encourage students to seek a better understanding of the subjects at hand.

March 2016-2017 Lead Biology and Chemistry Tutor, Metropolitan State University of Denver

Assisted students encountering difficulties in Biology and Chemistry classes by providing them with the environment and tools needed to excel in their courses. Encouraged students' growth as individual learners by implementing studying

techniques based on their learning styles.

Fall 2015 Cashier, Tivoli Station

Processed purchase transactions in addition to returns and exchanges while

informing the costumers of the return policies used by the store.

Grants and Awards:

Spring 2019 American Society for Biochemistry and Molecular Biology (ASBMB)

Undergraduate Poster Competition Honorable Mention

Spring 2018 American Society for Biochemistry and Molecular Biology (ASBMB) student

chapter travel award

Spring 2018 Passport to success grant, Colorado Wyoming Louis Stokes Alliance for Minority

Participation

Summer 2017 Undergraduate Research Grant, Colorado Wyoming Louis Stokes Alliance for

Minority Participation

Spring 2017 Undergraduate Research Grant, Colorado Wyoming Louis Stokes Alliance for

Minority Participation

Lectures and Presentations:

2019 **Poster presentation:** American Society for Biochemistry and Molecular Biology – 2019 Annual Meeting Orlando, FI

- Structural importance of Genomic RNA1 3' CITE in *Blackcurrant Reversion Nepovirus* Protein Synthesis.

Laura D. Baquero Galvis1, Elizabeth Shields1, Evan Morrison1, Megan E. Filbin-Wong, Ph.D.2

2018 Research presentation: Metropolitan State University of Denver -

Undergraduate Research Conference Denver, CO

 Importance of Unique Secondary Structures in Genomic RNA1 3' CITE in Blackcurrant Reversion Nepovirus Translation.

Laura D. Baquero Galvis1, Elizabeth Shields1, Evan J. Morrison1, Megan E. Filbin-Wong, Ph.D.2

2018 **Poster presentation:** American Society for Biochemistry and Molecular Biology – 2018 Annual Meeting San Diego, CA

 Importance of Unique Secondary Structures in Genomic RNA1 3' CITE in Blackcurrant Reversion Nepovirus Translation.

Laura D. Baquero Galvis1, Elizabeth Shields1, Evan J. Morrison1, Megan E. Filbin-Wong, Ph.D.2

2017 **Poster presentation:** American Society for Biochemistry and Molecular Biology – 2017 Annual Meeting Chicago, IL

- Unique Structures in the 3' UTR of Blackcurrant Reversion Nepovirus Genomic RNA 1 Promote Translation Initiation.

Laura Baquero-Galvis1, Elizabeth Shields1, Megan E. Filbin-Wong, Ph.D.2

Poster presentation: Metropolitan State University of Denver – Undergraduate Research Conference Denver, CO

- Unique Structures in the 3' UTR of Blackcurrant Reversion Nepovirus Genomic RNA 1 Promote Translation Initiation.

Laura Baquero-Galvis1, Elizabeth Shields1, Megan E. Filbin-Wong, Ph.D.2

Memberships in organizations:

2017- present American Society for Biochemistry and Molecular Biology (ASBMB) 2016- 2018 Colorado Wyoming Louis Stokes Alliance for Minority Participation

Community Service:

2017

2015- 2018 Progressive Unit care, Atrium pharmacy, infusion center, Gastro-intestinal and Emergency departments' Volunteer, University of Colorado Hospital

Assisted nurses and medical technicians by filling prescriptions, and patient's medical records. Provided patients and their families with refreshments/snacks in the waiting room area, while checking on those in recovery and tending to their comfort and basic needs.
